

The logo for Wood Harbor is a dark green, arched sign with a white border. At the top center of the arch are two white decorative flourishes. The words "WOOD HARBOR" are written in a white, serif, all-caps font across the center of the sign.

WOOD HARBOR

The Barone Homes logo features a stylized roofline icon above the company name. The roofline is composed of several parallel lines forming a triangular shape. Below the icon, the word "BARONE" is written in a large, serif, all-caps font, and the word "HOMES" is written in a smaller, serif, all-caps font directly underneath it.

BARONE
HOMES

Welcome to WOOD HARBOR

Three creeks wind their way through scenic valleys. The rolling landscape is home to two pristine ponds, acres of green space and mature woodlands. We are not describing a local park -- it is the newest community by Barone Homes at Wood Harbor. Wood Harbor is conveniently located ½ mile north of Route 104 off Bay Road in Webster, New York. Visit the Wood Harbor community, and we're confident that you will agree it is destined to be one of the finest neighborhoods in Monroe County.

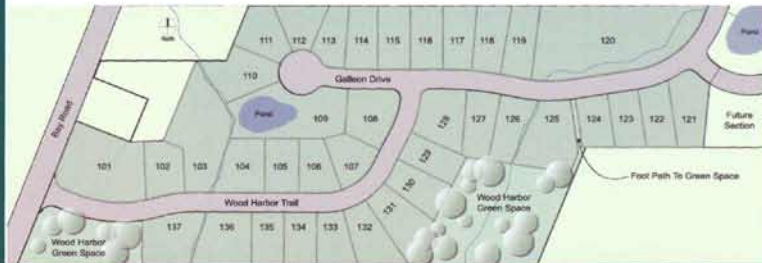

Barone Homes has been building superior homes in Webster for over 25 years. We have earned a reputation for exceptional quality, attention to detail, customer service and outstanding value. In 2003, Professional Builder Magazine sponsored a nationwide survey of over 50,000 new home buyers. Barone Homes was voted Number One in customer satisfaction among all custom home builders nationwide and was presented with the NRS Diamond Award. Consistently striving to exceed our customers' expectations, we were once again presented with the NRS Diamond Award in 2004.

You've found the perfect neighborhood and the right builder for your most important project. Call us today or visit our web site for more details, and together we'll make your dreams come true.
